Rigging & Shipping – Independent Contractors:

Joseph Finn Co., Inc. is not the shipper. As a courtesy, we may provide a list of third-party pack-and-ship, rigging, and machinery-moving companies. This list is not an endorsement or referral, and JFCI assumes no liability for any listed provider.

JFCI does not pack, ship, crate, store, or rig items. Buyers may either pick up their purchases in person at the auction site or arrange for a third-party logistics firm to handle removal.

JFCI is not affiliated with any pack-and-ship, rigging, transport, or export company. Contact information is provided solely as a convenience. JFCI does not guarantee or endorse any provider and is not responsible for any loss, damage, delay, or other issues arising from their services. Buyers may use any service provider of their choice, provided all required forms and insurance certificates are submitted.

All buyers are solely responsible for any tariffs, duties, taxes, and additional fees related to international transport. JFCI does not collect or facilitate these charges. Buyers must comply with all import/export regulations and pay any associated costs.
